FROM: Wayne Rotan
RE: H1N1 (Swine Flu) Virus Update

There has been one possible case of H1N1 virus in Somervell County. A case has been confirmed for Strain A virus and has been sent to the Texas Department of Health to test for H1N1.

GRISD will hold classes and all out of district trips and after school activities have been postponed through Friday, May 8, 2009.

GRISD crews are thoroughly disinfecting all campuses and buses on a daily basis. District officials will continue to remain in close contact with the Texas Department of Health and Glen Rose Medical Center for updated reports. GRISD will notify all parents, staff and students should there be any changes or updates.

Sincerely,

G. Wayne Rotan
Superintendent
Glen Rose ISD

"Our progress as a nation can be no swifter than our progress in education."
