On May 8, 2010, a \$19.995 million dollar bond referendum was approved by voters. The bond proceeds were proposed to construct a new 2000 seat gymnasium, convert an existing auxiliary gymnasium into a new band hall, and add an addition to the Ag. Livestock facility and district-wide technology upgrades. The projects were to be completed over the next 2.5 years.

The bond referendum was structured to be paid off over a fifteen year period and is not expected to increase the current Interest and Sinking tax rate during that time. [\(See attached 2010 Bond Brochure\)](#)
