

Digital Learning Environment

	Performance Measure	Not Applicable	Unacceptable	Acceptable	Recognized
1	Professional development digital learning environment opportunities		<25% of teachers participating in 3 hr or > instructional tech PD sessions	26-50% of teachers participate in 3 hr or > instructional technology PD sessions	51-89% of teachers participate in 3 hr or > instructional technology PD sessions
2	Technology Intergration students will have the opportunity to use digiatl learning throughout the year.		Technology is used by students in <25% of the classrooms	Technology is used by students in 26-50% of the classrooms	Technology is used by students in 51-89% of the classrooms
3	21st Century Classrooms		Mastery of technology standards through student created digital products. None	Mastery of technology standards through student created digital products. One	Mastery of technology standards through student created digital products. 2-3
4	Digital/Distance learning		<49% students participate in digital/distant learning oportunities	50-69% students participate in digital/distant learning oportunities	>70-84% students participate in digital/distant learning oportunities

Exemplary

>90% of teachers participate in 3 hr or > instructional technology PD sessions

Technology is used by students in >90% of the classrooms

Mastery of technology standards through student created digital products.
> 3

>85% students participate in digital/distant learning opportunities

Community and Parent Involvement

	Performance Measure	Not Applicable	Unacceptable	Acceptable	Recognized	Exemplary
1	Campus provides multiple opportunities for parent and community volunteer service		Less than 50 volunteer hours are recorded	50 - 100 volunteer hours are recorded	100 - 150 volunteer hours are recorded	150 -200 volunteer hours are recorded
2	Programs are scheduled to engage parents in the education of their students.		Rarely - < 3	Occasionally (4-6)	Common Practice (7-9)	Consistently Throughout the Year > 10
3	Connection of families to community resources		Campuses connect students and families to community resources that strengthen and support students' learning and well-being <twice a year	Campuses connect students and families to community resources that strengthen and support students' learning and well-being 3-5 times per year	Campuses connect students and families to community resources that strengthen and support students' learning and well-being 6-10 times per year	Campuses connect students and families to community resources that strengthen and support students' learning and well-being >10 times per year
4	Students participate in community service projects		< 5% of campus participate in community service projects	5 - 20% of students participate in community service projects	21 - 35% of students participate in community service projects	> 35% of students participate in community projects
5	Various methods of communication with parents and community stakeholders		The campus communicates with families and community members through e-mail, phone call, postcards, social media 3-4 times a year	The campus communicates with families and community members through e-mail, phone call, postcards, social media monthly	The campus communicates with families and community members through e-mail, phone call, postcards, social media weekly	The campus communicates with families and community members through e-mail, phone call, postcards, social media daily

Wellness and Physical Education

	Performance Measure	Not Applicable	Unacceptable	Acceptable	Recognized	Exemplary
1	PE students participating in <u>fitness</u> programs on campus (any course earning PE credit)		<50% of students participating	<50-70% of students participating	70-90% of students participating	90-100% of participating
2	Student immunizations are in compliance with Texas State health Dept. Guidelines or ROC		Less than 96%	96%-97%	98%	99%-100%
3	Campus provides character education that promotes a safe and drug free environment		<50% of students participate	<50-70% of students participate	70-90% of students participate	90-100% students participate
4	Students have access to exercise opportunities other than the required PE		Campus rarely provides additional opportunities	Campus occasionally provides opportunities	Campus generally provides opportunities	Campus consistently provides opportunities
