“Congratulations to the students and staff of Glen Rose ISD for their hard work and dedication in achieving an “A” rating in both years of the revised Texas Education Agency rating system,” said Glen Rose ISD Superintendent G. Wayne Rotan. “While we are extremely proud of the current ratings, we must continue to focus and work each day towards continued student academic growth and creating pathways for 100 percent of Glen Rose ISD graduates to reach College, Career, and Military Readiness Standards.”

Glen Rose ISD has established an extremely high standard for academic performance. Administrators, teachers, support staff, and central office staff work extremely hard to ensure that we are meeting the needs of each student. We will continue to evaluate our current practices as we strive to become even better in the 2019-2020 school year.

Glen Rose ISD also received an “A” rating in the Financial Integrity Rating System of Texas (FIRST) for the fiscal management of Glen Rose ISD. Glen Rose ISD scored 98 out of 100 possible points on the FIRST Rating.
