DIGITAL ART COURSES

LAURA VENO VENOLA@GRISD.NET

Tutoring by appointment | Conference Time 10:45-11:20am

Welcome to Art Media! This is a STUDIO class, which means your grade is based on your performance. We are looking for effort and original application of skills!

OBJECTIVES

Art Media 1 projects are designed to challenge and motivate the students to develop foundational graphic design, animation, and film skills.

Art Media 2-4, Honors & AP projects are designed to refine foundational skills, make creative choices that are for self and for audience, and think critically about the art we make.

STUDENTS WILL

- Learn and apply the basic knowledge and skills in graphic design through Adobe Photoshop, Animate, Illustrator, and After Effects
- Comply with and meet project timelines and due dates
- Critique peer and self work
- Take proper care of tools and equipment

POSSIBLE AREAS OF STUDY

Art Media 1:

- Digital Drawing
- Digital Painting
- Animation
- Design
- Video Production

Art Media 2-4, Honors, AP:

- Drone Video Production
- Art Media Studio orders
- School Store
- Independent Investigations
- Adobe Certifications

EQUIPMENT & CLASS RULES

1. **Be respectful with Words & Time:** Be on time, work on time, clean up on time, turn things in on time. 3 tardies = referral
 2. **Be responsible.** Your grades are a reflection of your work and work ethic. You are being entrusted with supplies that could cause harm physically or financially.
 3. **No food or drinks.** EVER.
 4. **Use technology appropriately.** Phones are not allowed out in class for Freshman. Soph+Jun+Sen may use phones for music while working. * See Equipment Agreement for tablet rules.
- Consequences:** Warning-> Removal & Parent Email-> Parent Conference -> Referral

GRADES

- minimum of 2 Major projects (66%) and 6 Minor projects (33%) for each grading period
- late work -10 per day late
- redo* an assignment for which the student originally made a failing grade, due by the end of the grading period. *Original assignment must have been completed and turned in on time.
- if absent, the student will have until the end of the grading period to complete work. *Extra time is not class time, but outside of class time.
- homework is not assigned, but students may choose to work on projects outside of class if falling behind/absent
- cheating/plagiarism will be treated like incomplete work

SUCCESS

Participation is 70% of your grade. This means participating in class lessons, as well as working on your projects each day. Art students are interested in growing their skills while looking for opportunities for creativity and originality. This is evident in students effort to create through participation.

STUDENTS WILL NEED THEIR COMPUTERS EVERY DAY! Failure to bring their computer will prevent them from working in class and could cause them to fall behind or miss the lesson with participation. Failure to have a charged computer or power cord will have the same result. Parents/Guardians will be notified. Repeated loss of necessary equipment will result in class failure.
