extra-curricular absences. Please do not ask me what you missed while you were gone. It is online. If your absence is extra-curricular, then it is not actually an absence and you do not get extra days to complete it. You must be ready when you return to class. If you are going to miss class for an extra-curricular activity and there is a quiz, exam, or essay scheduled for that day, then you need to arrange to take it the week of the absence. A zero will be placed in the gradebook until it is completed.
