Dear Parent/ Guardian

The possibility of wintery weather is right around the corner. We would like to keep everyone information on the methods and process we will use to disseminate information to parents and guardians regarding closures or delays.

School closings or late start determination will occur by 6:00 a.m. before morning bus routes begin. The start time for weather delays will be 10:30 am. Glen Rose ISD will utilize an automated calling and texting system to notify students, parents, and staff of possible closings or delays. A pre-recorded message will be sent to all Phone numbers in the students and staff directory within 10 minutes. Please make sure the numbers that you have listed on the student information are correct. Information will also be posted on the Glen Rose ISD website at www.grisd.net. The website will be continuously updated to keep parents and community members informed of school closings status. Announcements will also be posted on the district Twitter and Facebook pages. In the event of a loss of power, internet and social media postings may not be possible.

To ensure everyone is informed, the following television and radio stations will be contacted for publication.

Television

Channel 4 KDFW

Channel 5 KXAS

Channel 8 WFAA

Channel 11 KTVT

Radio

KHITS- 95.5 FM

The media will only be notified in the event there will be changes to the local schedule such as cancellation, late start, or early release. Decisions to alter the school schedule will be made based on the ability of Glen Rose ISD to safely transport students to and from school. Any decisions made will be based on the most accurate information and forecast available. As always, our top priority is the safety of our students, staff, and parents.

Thank you for your support and cooperation!

Sincerely,

Trig Overbo, Ed.D.

Rose ISD
