**\*\*These supplies must be brought to class each day\*\***

### **Class Information: This is an introductory class to Physics and Chemistry**

1st Semester – We will introduce Physics concepts, including: position, speed, acceleration, forces, potential and kinetic energy, thermal energy, waves, and electricity.

2nd Semester – We will introduce Chemistry concepts, including: properties of matter, elements and the Periodic Table, chemical reactions, nuclear reactions and solutions.

### **Tutoring:**

Tutoring is available in the mornings, M-F at 7:25 or after school by appointment only.

**Grades:**

Daily Grades 20%

Quizzes & Labs: 20%

Tests & Projects: 60%

\*There are typically 6-10 daily assignments, 3 quizzes and 3 tests per 6 weeks.

**Homework:**

Homework will rarely be assigned. I do expect you to spend time outside of class studying for quizzes and tests.

**Late Work:**

Late work will not be accepted past the due date.

**Retaking a failing grade on an assignment**

Retesting is permitted only under the following conditions:

Student received a failing grade on the unit test of the first attempt. There will be no retesting to bring up a passing grade.

All assignments that relate to the test must be completed.

Students must attend at least one tutorial session outside of class to go over missed questions on the original.

Retest must be scheduled and completed prior to the end of the 6 weeks in which the original test was given

The retest will not be the same test questions as the first test.

The highest possible replacement grade on a retest is 70.

**Cell Phone Policy:**

Cell phones must be completely put away during class unless specifically directed to have them out. Failure to follow this rule will result in

the phone put in a wall pocket to store for the rest of class and a warning. The second offense will result in an office referral.

Earbuds and headphones will also not be permitted during class.

**Classroom Rules:**

Be Respectful – treat others the way you would want to be treated

Be Responsible – be on time and ready for class with supplies each day

Be Your Best – put forth a good effort in everything that you do

**Classroom Procedures:**

If you are absent, you are responsible for getting missing work. Any missed paper assignments will be in a designated folder. Any other assignments will be posted in Canvas.

If you are not inside the door when the bell rings, you will be counted tardy.

Be prepared with supplies each day.

Hoodies/Hats may not be worn in class. Please follow dress code as found in GRHS Student Code of Conduct.

Cell phones are not permitted in class.. See cell phone policy.

In case of emergency or virtual learning, Canvas will be used to communicate and assign work.
