AP STUDIO ART: WELCOME

Your student is enrolled to take AP Studio Art, and a lot of awesome pieces will be made this year! Each student will create a body of independent works and sustained investigations, while focusing on building a college or career ready portfolio.

SUPPLIES:

All supplies will be provided for your student. However, it does happen from time to time that a student chooses to do something very unique in a sustained investigation, which may require them to bring something in from outside. As always, students are welcome to bring their own supplies, and purchases of this nature are encouraged for students who plan on pursuing art after high school, in an effort to create their own supply base without an immediate exorbitant cost.

SUCCESS IN AP STUDIO ART:

Participation is 50% of your grade. Effort in originality and skill is the other 50%. In AP Studio Art students are expected to investigate original ideas and, as always, turn your assignments in on time. To keep up with the rigor of this course, students who are unable to keep with their assignments will be removed \ and placed into Art 4.
