Course Description

Fundamental forensic science class that will cover crime scene investigations, as well as, may various techniques used in forensic science. Collecting hair samples, DNA, and fingerprints are examples of these techniques.

I. Supplies Needed

- Paper or Notebook
- Pens or Pencils
- MacBook

II. Grading

A minimum of 10 grades will be in the grade book each six weeks, with two of them being tests/projects. The following categories are what the Science department uses:

Daily Grades – 20%

Quizzes/ Lab Grades – 20%

Tests – 60%

III. Absence and Make-up Work

1. If you are absent due to illness or due to a school sponsored activity, it is YOUR responsibility to make up the work in the amount of time described in the student handbook.
2. Lab experiments can be made up, if possible (lab make-up times will be announced). If you can not make-up the lab, an alternative assignment will be given.
3. If a major test is missed, you need to make an appointment with me to make up the exam.

IV. Retesting

If a student fails their test, they will have an opportunity to retake their test. The student will have to schedule a time **BEFORE** school to be able to retake the test. The highest grade a student can receive on the retake is a 70, but that grade is not guaranteed.

V. Late Work Policy

Late work will only be accepted up to two days past the due date. After two days, the grade will be a zero.

VI. Academic Dishonesty

Cheating will not be tolerated. Both parties contributing to any academic dishonesty, cheating, will receive an automatic zero on the assignment or test.

VII. Tutoring

Tutoring will only be available by appointment. Let me know if you need tutoring, and we will set up a time and a date.

VIII. Cell Phones

Cell phones will be turned into a cell phone holder. If you do not put your phone into the cell phone holder and I see you using your phone, I will take it up for the first offense. After the first offense, I will take it to the office.

IX. Emergency Shutdown

If we have an emergency shutdown, instructions/assignments will be on Canvas.

X. Classroom Rules

1. Enter the room quietly and take your seat.
2. Be respectful to one another and to the teacher.
3. When I'm talking, you listen.
4. Do not line up by the door, stay in your seats and I will dismiss you from class.
5. Only bottled water or "Yeti" cups allowed in my classroom.
6. Follow the lab safety rules.
