

Algebra Information Sheet

Teacher: L. Andress

Room: 105

Teacher Email: andrli@grisd.net

Phone: 254-898-3832

Conference Period: 8th (2:45pm-3:35pm)

Daily Classroom Supplies:

1. Spiral notebook or Loose paper
2. Computer
3. A binder or folder (You can share it with other classes just something to keep your papers in.)
4. Pencils and Red Pen

One-time Classroom Supplies:

If you can bring a box of tissues so we will have tissues available to everyone throughout the year.

Assignments/ TESTS:

Please check the Canvas Calendar for daily assignments. We will use the Algebra 1 Big Ideas online textbook for assignments, quizzes, and tests. I will count quizzes as test grades so students will have more of an opportunity to bring up a grade. The online textbook is located in Stoneware.

Math Department Grading Policy:

Averaging Policy

Glen Rose High School math courses will use the following to determine Six Weeks Grades...

All Math Classes: Daily Grades - 30% and Test Grades - 70%

At least 2 tests and 10 daily grades will be given each six weeks.

Late Work

Any late work will **not** earn full credit.

One-Day Late -21 points Two Days Late -35 points Three Days Late -50 points

Re-Testing

Re-testing is allowed only if a student has failed to show mastery on a test. Students may re-take tests provided they have completed all assignments. Students will have one week after they failed a test to retake it.

***Re-tests are **not** allowed for six weeks' tests, mid-terms exams, and final exams. Re-tests are not allowed in Dual Credit courses.

Absentee Work

Extracurricular Absences – A student involved in an extracurricular activity must notify his or her teacher ahead of time about any absences. If the student is involved in any extracurricular activity, it is the student's responsibility to ask for assignments prior to the absence. The student is still responsible for taking a quiz or test on the assigned date even if the student had an absence prior to the extracurricular activity. Any work missed during the absence such as book work, worksheets, or projects, should be completed and turned in to the teacher once the student returns. If the student misses a test they will have one week to make it up.

Other Absences – The student will be responsible for obtaining and completing the work missed during an absence. All daily work and/or tests that are missed during an absence should be completed by the second day following that absence. A student who does not make up assignments within the time allotted, will receive a late grade or zero for the assignment. If the student misses a test they will have one week to make it up.

Tutorials:

Tutorials are available in the morning at 7:30 am. Wednesday afternoons until 4:15 pm or by appointment.

Classroom Procedures:

1. Be own time and in your seat with your supplies when the bell rings.
2. Be respectful of others.

Electronic Devices:

Cell phones, Earbuds, and all other personal electronic devices will be put away during class in your backpack or in the phone holder.

Cheating:

Cheating on a Test or Quiz will not be tolerated. The student will earn a zero with no retake.

School Shutdown Procedures:

Check the Canvas calendar for daily instructions for Algebra 1.
